

**Invitation for Expressions of Interest
Agricultural Sector Representative
Essex Region Source Protection Committee (SPC)
Under Ontario Regulation 288/07, Clean Water Act, 2006**

The Essex Region Source Protection Committee has been created to develop a Source Protection Plan to protect the source waters of drinking water in the Essex Region Source Protection Area. The role of the SPC is to oversee the completion of technical studies (Assessment Reports), Source Protection Plans and related public and stakeholder consultations. **Further information including the function and composition** is available on our website at www.essexregionsourcewater.org under the Committee section.

Applications to fill a vacancy for one of the Economic (Agricultural) Sector Members on the SPC will be accepted until March 22. There is a commitment to participate in approximately one to two meetings per month for 3 to 5 years, and representatives must reside, own or rent property, be employed or operate a business in the Essex Region Source Protection Area. A job description is available at www.essexregionsourcewater.org under the Committee link.

How to Apply: To be considered, candidates must describe their interest in writing accompanied by their resume **by 4:00 pm on Tuesday, March 22, 2011.** *Expression of Interest* forms can be obtained from our website.
